**Time:** **10:00AM**

We'll meet at the main (Giraffe) entrance of Jungle Jim's International Market at 10:00AM for the store "Safari" tour. This guided tour will share fun facts about the store and its history as well as show us around each department.

During the approximately one hour tour, we can sample various products from around the world. It's a very large complex, but Jungle Jim's does have motorized carts available inside the store for the use of those with mobility issues. Everyone is encouraged to wear comfortable clothes and shoes.

Following the "Safari" tour, we will participate in a Jungle Jim's scavenger hunt. After a brief orientation with our tour guide to determine teams and discuss the rules, we'll start the hunt. We'll all meet at the finish line at 11:45AM to go over the answers and select the winning team! A fee of \$8.00 per person includes the tour and the scavenger hunt. All participants will receive a \$2 Jungle Jim's coupon.
