

New OVEB Logowear Store in NOW Online

April 19, 2024

For the past several weeks, Bill Curtis has been working on a new website feature to enable our members to easily order a wide variety of personalized clothing, hats, bags and other items embroidered with the Ohio Valley Early Birds logo. The store is run by a third-party company, but you can access it directly from our website. It's now easier than ever to buy and wear stylish apparel to let everyone know that you belong to the *BEST* Classic Thunderbird Club in the Ohio Valley. Let's learn more about this convenient new service.

There is now a link on the OVEB website navigation bar (next to the Member Login) that will take you to the store site.

The screenshot shows the Ohio Valley Early Birds website. At the top left is the logo for Ohio Valley Early Birds, featuring a stylized bird with wings spread, and the text "Ohio Valley Early Birds" above it. Below the logo is the text "Classic Thunderbird Club Int'l" and "OVEB". To the right of the logo is the text "OHIO VALLEY EARLY BIRDS" in a large, serif font, and below that, "Classic Ford Thunderbird Car Club". Below the logo and text is a navigation bar with the following items: Home, Schedule, Classifieds, Contact Us, Join the Club, Newsletters, Photos, Logo Apparel (circled in red), and Member Login. Below the navigation bar is a large image showing a group of people at a car show. To the right of the image is a "Notes:" section with the following text:

Below the image and notes, there is text describing the club's membership and activities:

We are Chapter #68 of the Classic Thunderbird Club International (CTCI) with members located primarily in the Dayton and Cincinnati metropolitan areas of Ohio. Membership is open to anyone with an interest in the 1955, 1956 or 1957 Classic Thunderbird.

We encourage all of our members to also join CTCI. As a member of CTCI, you will receive the *Early Bird*, a bi-monthly magazine on Thunderbirding, where you will find valuable help on restoration, maintenance, history, activities and general interest articles all focused on the Classic 1955, 1956 and 1957 T-Birds.

Our club was incorporated in 1976 as the **Classic Thunderbird Club of Dayton**. In 1996, with the membership expanding to Cincinnati and Northern Kentucky, the name was changed to **Ohio Valley Early Birds (OVEB)**.

After you add an item to your cart you should see an “Add Names” button on the bottom of the form. Clicking this button gives you the option of further personalizing your garment by adding one or two lines of additional text to the side of the clothing opposite the OVEB logo. This would typically be used to add your name to the clothing. Adding such personalized text adds an additional \$10.00 to the price of the garment.

Once you click the “Add Names” button, you will see the pop-up window shown on the next page. This is where you type in the name(s) that you wish to be embroidered on your garment.

Besides clothing, there are many hats and three different Duffel bags from which to choose. The logos for these bags are displayed on the site as “Left Chest – Embroidery” but the actual OVEB logo will be centered on the front of bags Style #4013 and # 4025 and on the top of bag Style # 4027.

The logos all show in the store with red lettering until a color is selected for a product and then it will change to the appropriate color. White logo lettering is used for dark clothing colors and red lettering is used for the white and very light colors. We have tried to get all the colors correct but if you have a question about the logo color on an item, please send Bill Curtis an email at webmaster@oveb.org. Be sure to include the style number and the color of the item so he can confirm the color of the lettering.

If there are any problems with your order or you are not satisfied for any reason when you receive an order, contact the company and they will make it right.

Let's all stock up on OVEB logowear and proudly promote our club at future outings.
